About Us

PT Genera Aero Supply is a company that specialized on aviation sector. We focus on providing aviation needs, especially for general aviation. We are based in Jakarta and established since 2020.

The company was found by passionate pilots with strong urge to provide fellow aviators in Indonesia a convenient way to explore their aviation habit and business needs. We are glad to announce that we are the first and the only one “One Stop Aviation Shop” company in Indonesia. We are currently providing all of aviation needs for various segments, such as aircraft home builder, pilots, aircraft owner, flying club, pilot school, regular or charter airlines and many more. We also provides aircraft maintenance management and aircraft dealership.

PT Genera Aero Supply adalah perusahaan yang bergerak di bidang aviasi. Kami berfokus untuk menyediakan kebutuhan penerbangan, terutama untuk general aviation. Kami memiliki kantor dan gudang di Jakarta, dan berdiri sejak tahun 2020. Perusahaan ini didirikan oleh kumpulan pilot yang memiliki keinginan kuat untuk menyediakan cara yang mudah bagi sesama penerbang di Indonesia untuk mengeksplorasi hobi dan kebutuhan bisnis mereka. Dengan bangga kami sampaikan bahwa kami adalah yang pertama dan satu-satunya perusahaan “One Stop Aviation Shop” di Indonesia. Kami menyediakan semua kebutuhan aviasi untuk berbagai macam segmen, seperti aircraft home builder, pilot, pemilik pesawat, klub terbang, sekolah pilot, maskapai penerbangan berjadwal atau tidak berjadwal dan masih banyak lagi. Kami juga menyediakan pelayanan manajemen perawatan pesawat ringan dan dealership pesawat ringan.

Founders

> When most of people feel EASY to fly, enjoy the SAFE and FUN of flying.
> That's when GENERAL AVIATION is at its best, and we will always be part of that environment.
